

City Council Formal Meeting

City of Phoenix

Report

Agenda Date: 8/31/2022, Item No. 56

State of Arizona doing business as Arizona State Land Department

For \$27,311.75 in payment authority to dispose of 23,527 cubic yards of soil from State Land Property at \$1.00 per cubic yard, for native plant removal services, and permitting fees for the Street Transportation Department. The grading operation is necessary to temporarily contain site drainage for improvements to be built on the north side of Jomax Road, from Interstate-10 to Norterra Parkway.
